The University of the West of England

On day 4 you will have the unique opportunity to visit the world-class nursing teaching facilities at The University of the West of England (UWE) in Bristol. You'll explore the Skills Lab, meet senior lecturers and staff, ask questions, and learn first-hand how nurses are trained for action in the United Kingdom.

An NHS Hospital in Bristol

After experiencing the academic world of nursing, we move on to real world practice. We can offer you a tour of Southmead Hospital, which is part of North Bristol NHS Trust. The tour will provide a fascinating look at the differences (and similarities) in the way the UK and Germany approach the vital work of nursing.

About Our Language Workshops

We teach in small groups of 12. Our language workshops (09:30-16:30) cover medical terminology, phrases, and conversation skills. They are intensive, fun, and effective. All courses are suitable for students and practicing nurses with a basic understanding of English. By the end of the trip, participants will have dramatically improved their English language skills and be ready to apply them to their working life.
